The Facts About Breast Cancer

- **Monthly breast self-exams, yearly clinical exams and annual mammography are all keys to early detection of breast cancer. Visit koman.org/bse for an online breast self-examination instructional tool. The Web site provides breast self-exam instruction through video animation, audio clips and written directions in both English and Spanish.**
- **This year an estimated 212,920 new cases of invasive breast cancer among women are expected to be diagnosed.**
- **Over 40,000 women and men are expected to die of breast cancer this year.**
- **Breast cancer is the second leading cause of cancer death in women.**
